EDUCATION

Ph.D., Biology 2022 (expected)

University of Arkansas, Fayetteville, AR

Dissertation title: "Comparative Methods for Study of Ecology and Evolution of Fish Across a Riverscape" Committee: Adam Siepielski, Jeremy Beaulieu, Michael Douglas, Marlis Douglas (Chair)

M.S., Biology 2016

University of Oklahoma, Norman, OK

Thesis title: "Beta Diversity of Stream Fish Communities: Partitioning Variation Between Abiotic and Spatial Factors" Committee: Caryn Vaugh, Edith Marsh-Matthews, William Matthews (Chair)

B.S., Ecology & Evolution 2013

University of Pittsburgh, Pittsburgh, PA

RESEARCH APPOINTMENTS

White-tailed Deer in Arkansas: Genetic Connectivity & Chronic Wasting Disease Research Assistant 2019 - current

University of Arkansas, P.I.s: Marlis Douglas, Michael Douglas - Arkansas Game and Fish Commission Modelled the spread of a prion pathogen using landscape genetics and resistance surface analysis

Project Leader White River Fish Project 2017 - current

University of Arkansas, P.I.: Marlis Douglas, Michael Douglas

Collected and genotyped 3,500+ fish across numerous species from 75 locations across the White River Basin

Research Assistant Population Genetics of Prairie Chub 2016

University of Oklahoma, P.I.: Richard Broughton

Led field expeditions to collect Prairie Chub in the Red River, OK

Research Assistant Stream Ecology of Freshwater Mussel and Fish Community Interactions 2016

Oklahoma Biological Survey, P.I.s: Caryn Vaughn, Keith Gido –National Science Foundation Fish biologist for NSF-funded project examining relationship between fish and freshwater mussels

Project Leader Fish Survey of SE Oklahoma Drainages to determine distribution of SGCN species 2013 - 2016

University of Oklahoma, P.I.s: William Matthews, Edith Marsh-Matthews - Oklahoma State Wildlife Grant Fish collecting and environmental surveys at 160 locations across three river drainages

Distribution of the Arkansas River Shiner

2013

2011 - 2013

Sam Noble Museum of Natural History, P.I.: Edith Marsh-Matthews - Great Plains Landscape Conservation Coop. Scanning archive data and field notes for information regarding the distribution of Arkansas River Shiner

Research Assistant Various projects in ecotoxicology research

Pymatuning Laboratory of Ecology, P.I.: Rick Relyea

Sampled aquatic invertebrates and amphibians, and assisted with toxicology experiments

TEACHING EXPERIENCE

Conservation Genetics (Computer Lab Instructor)

University of Arkansas

2020

Graduate and upper-level undergrad computer lab focused on application of genetic methods

Duties: Lectures, designing exercises

Global Change Biology (Recitation Leader)

University of Arkansas

2017, 2018

Upper-level seminar with emphasis on debate and argumentative essay writing.

Duties: moderating discussion, writing workshops, essay critique and writing development.

Principles of Biology (Lab Instructor)

University of Arkansas

2016, 2017

Introductory laboratory course for non-majors.

Duties: lectures, monitoring lab activities, grading, exam design

Zoology (Lab Instructor)

University of Oklahoma

2016

Introduction to organisms and laboratory practice.

Duties: lectures, monitoring experimental design, grading, guiz design.
